ACCOUNT SERVICES

Make a CPF nomination

Nominate your loved ones to receive your CPF savings upon your demise.

To allow your loved ones to receive your CPF savings in cash conveniently when you pass on, you need to include your loved ones in a CPF nomination. Before you proceed, you should work out these details:

Nominees

You can appoint up to 15 nominees in this form. If you wish to appoint more than 15 nominees, please visit a [CPF Service Centre](#).

Witnesses

You will need to appoint 2 witnesses for a nomination. They must be at least 21 years old, must not lack mental capacity, and must have a Singpass. You and your CPF nominees cannot be witnesses to your nomination.

It is an offence to make any false statement for any purpose connected with the Central Provident Fund Act.

To complete the form, you will need:

- For yourself: Mobile number or email address.

- For nominees: Full name, identification number and email address.
- For witnesses: Full name, identification number, email address and mobile number.
- If your nominee or witness is a foreigner: You will also need their mailing address in addition to the above information.

☐ I have read and accepted the [Terms of Use](#).
